

I'm writing to request that the FCC not allow the LPFM stations to take priority over current FM translator service in the Chicagoland area. Specifically, my family and I would be greatly disappointed if KLOVE 94.3 lost its signal. KLOVE is the station of choice for my family. It is the only channel in the Chicagoland area that plays Christian music, and the public would be hurt by its absence. KLOVE is a safe haven for people who want to hear clean lyrics, and it is in the public interest to keep it on the air. Thank you!
